Completing the Qualified donees worksheet / Amounts provided to other organizations

List the name of each organization that received a gift from the charity. Do not list the name of an organization more than once. Do not enter names of persons who have received a benefit from the charity. For example, do not list the names of students who received a scholarship from the charity.

Name of organization: Enter the full name of the organization that received a gift from the charity.

Associated charity: Tick **Yes** if the organization is associated with the charity. Associated charities are two or more registered charities that have applied for and received this designation from the Charities Directorate. For more information see "Associated Charities", in our online glossary at www.cra.gc.ca/chrts-gvng/chrts/glsry-eng.html.

BN/registration number: Give the organization's complete business number (BN), if it has one. A BN is assigned to organizations that have accounts with the Canada Revenue Agency.

City and Province/Territory: Enter the city, town, village, or other municipality and province or territory of the organization that received a gift from the charity. If the organization is outside the country, enter its full mailing address, including the country.

Amount of gifts in kind: Enter the amount of all gifts in kind (also known as non-cash gifts) the charity made to the organization. Amounts must be the fair market value of the gifts in Canadian dollars. Examples of gifts in kind are gifts of property, such as land, artwork, equipment, securities, pharmaceuticals, and cultural and ecological property. For more information on fair market value, go to www.cra.gc.ca/chrts-gvng/chrts/prtng/rcpts/dtrmfmv-eng.html.

Total amount of gifts: Enter the total amount of all gifts (including gifts in kind) given to the organization, including the amount of all gifts intended for political activities, if applicable. Amounts must be in Canadian dollars.

Was any part of the gift intended for political activities? Tick **Yes** if any part of the gift was intended to be used by the recipient to carry out a political activity, and enter the amount. Amounts must be in Canadian dollars.

This question addresses the charity's intent for the gifts and not how the recipient will use them. The charity is not responsible for tracking and reporting on how the gifts were actually used. Even if the gift was not used for political activities, if the purpose of the gift was to fund a political activity, it should be reported in this field.

Enter the last name, first name, and initial of the director/trustee or like official.

Term:

Start date: Enter the date the person started in the position.

End date: Enter the date the person left the position. If the person has not left the position, leave this field blank.

Position: Enter the title of the position being held. Each position is generally identified in an organization's governing documents (for example, president, treasurer, secretary). A registered charity may have other officials that have governing powers similar to those of a director or trustee. For example, a religious leader with some governing authority would be considered a like official.

At arm's length with other directors: Tick **Yes** if the person is at arm's length with all other directors/trustees or like officials.

At arm's length is a concept that describes a relationship in which two persons act independently of each other and are not related. Related persons are individuals who are related to each other by blood, marriage or common-law partnership, or adoption. It is also possible that individuals not related by a family connection, but by close business relations, may still be considered not at arm's length. For more information on arm's length, go to www.cra.gc.ca/tx/tchnc/ncmtx/fls/s1/f5/s1-f5-c1-eng.html.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Coalition to Cure Prostate Cancer

We have audited the accompanying financial statements of Coalition to Cure Prostate Cancer, which comprise the statements of financial position as at December 31, 2014 and 2013, and the statements of operations, changes in net assets and cash flows for the years then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Cure Prostate Cancer as at December 31, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with Canadian accounting standards for not-for-profit organizations.

COALITION TO CURE PROSTATE CANCER

Notes to Financial Statements

For the year ended December 31, 2014

1. Nature of Operation

The Coalition to Cure Prostate Cancer ("the Coalition") was incorporated under the Canada Corporations Act on April 11, 2011. The Coalition was granted charitable registration effective June 15, 2011 and is designated as a public foundation and, as such, is exempt from income taxes and is able to issue donation receipts for income tax purposes. The Coalition's mission is to pursue research and clinical studies related to prostate and related cancers and to disseminate research reports and other educational material related to such cancers.

The Coalition is a sister organization to the Prostate Cancer Foundation ("the Foundation"), a public charity based in the United States of America that funds and accelerates prostate cancer research globally. Pursuant to the terms of a service agreement, the Foundation has agreed to provide certain pro bono services to the Coalition, including communications and fundraising support, and extended a guaranty to the Coalition for up to a maximum of \$100,000 to ensure that the Coalition will be able at all times to fund research awards approved by the Coalition's Board of Directors.

2. Significant accounting policies

Basis of preparation

These financial statements were prepared in accordance with Part III of the Chartered professional Accountants ("CPA") Handbook – Canadian Accounting Standards for Not-for-Profit organizations ("ASNPO") which set out generally accepted accounting principles ("GAAP") for private sector non-for-profit organizations in Canada and include the significant accounting policies described hereafter. These financial statements are stated in Canadian dollars.

Revenue Recognition

The Coalition follows the deferral method of accounting for contributions. Restricted contributions related to expenses of future periods are deferred and recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recorded as revenue when earned, unless the donor specifies otherwise. Unrestricted investment income is recognized as revenue when earned.

Donated Services

The Coalition benefits from donated services in the form of volunteer time for various committees and other services from the Foundation. Because of the difficulty of determining their fair value, donated services are not recognized in these financial statements.

Financial instruments

In accordance with ASNPO, cash is initially measured at fair value. Subsequent changes in fair value are recorded in the Statement of Revenues and Expenditures. Accounts receivable and accounts payable are measured at amortized cost. Amounts amortized in the year are reported in the Statement of Revenues and Expenditures. Accounts receivable and accounts payable are measured at amortized cost. Amounts amortized in the year are reported in the Statement of Revenues and Expenditures.

Transaction costs are expensed as incurred.

Unless otherwise noted, it is management's opinion that the Coalition is not exposed to significant interest or credit risks arising from these financial instruments.

The fair values of the Coalition's cash approximates its carrying value.

COALITION TO CURE PROSTATE CANCER

Notes to Financial Statements

For the year ended December 31, 2014

3. Contributions

During the year ended December 31, 2012, the Coalition signed an agreement to receive \$1,000,000 in contributions. The contribution was to be paid over a period of three years in equal installments of \$333,333. As the contribution was unrestricted and collection was reasonably assured, the contributions were fully recognized as revenue during 2012. The \$1,000,000 was collected in full during 2014.

During the year ended December 31, 2014, the Coalition signed an agreement to receive \$1,000,000 in contributions. The contribution is to be paid over a period of three years in equal installments of \$333,333. As the contribution is unrestricted and collection is reasonably assured, the contributions have been fully recognized as revenue during 2014.

4. Research awards

Research awards are charged against operations when authorized by the Board of Directors. The actual payment of the grant may not occur in the year of authorization.

During the year ended December 31, 2012, the Coalition signed agreements committing the Coalition to a total of \$900,000 in grant awards. The grants are to be paid over a period of three years with \$300,000 paid in 2012. During 2014, the grants were paid in full.

During the year ended December 31, 2014, the Coalition Committed to fund \$1,000,000 in research grants. The grants are to be paid over a period of three years with \$334,000 being paid in 2014, \$333,000 to be paid in 2015 and \$333,000 to be paid in 2016.

5. Financial risk management

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Coalition deals with creditworthy counterparties to mitigate the risk of financial loss from defaults. The Coalition maintains its cash in a Canadian bank deposit account which, at times, may exceed the Canada Deposit Insurance Corporation insured limits. The Coalition believes it is not exposed to any significant credit risk on its cash. The Coalitions' contributions receivable (note 3) are from one party therefore is exposed to a concentration of credit risk.

6. Economic Dependence

The Coalition derived approximately 95% of its revenue during 2014 from one donor. Should this donor substantially change its dealings with the Coalition, management is of the opinion that there would be no issues with the continued viable operations of the Coalition. 100% of accounts receivable is due from this donor.
