Our review was made in accordance with Canadian accounting standards for not-for-profit organizations for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by Coalition to Cure Prostate Cancer.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for not-for-profit organizations.

COALITION TO CURE PROSTATE CANCER

Notes to Financial Statements

For the year ended December 31, 2015

(Unaudited)

1. Nature of Operation

The Coalition to Cure Prostate Cancer (the "Coalition") was incorporated under the Canada Corporations Act on April 11, 2011. The Coalition was granted charitable registration effective June 15, 2011 and is designated as a public foundation and, as such, is exempt from income taxes and is able to issue donation receipts for income tax purposes. The Coalition's mission is to pursue research and clinical studies related to prostate and related cancers and to disseminate research reports and other educational material related to such cancers.

The Coalition is a sister organization to the Prostate Cancer Foundation (the "Foundation"), a public charity based in the United States of America that funds and accelerates prostate cancer research globally. Pursuant to the terms of a service agreement, the Foundation has agreed to provide certain pro bono services to the Coalition, including communications and fundraising support, and extended a guaranty to the Coalition for up to a maximum of \$100,000 to ensure that the Coalition will be able at all times to fund research awards approved by the Coalition's Board of Directors.

2. Significant accounting policies

Basis of preparation

These financial statements were prepared in accordance with Part III of the Chartered professional Accountants ("CPA") Handbook – Canadian Accounting Standards for Not-for-Profit organizations ("ASNPO") which set out generally accepted accounting principles for private sector non-for-profit organizations in Canada and include the significant accounting policies described hereafter. These financial statements are stated in Canadian dollars.

Revenue Recognition

The Coalition follows the deferral method of accounting for contributions. Restricted contributions related to expenses of future periods are deferred and recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recorded as revenue when earned, unless the donor specifies otherwise. Unrestricted investment income is recognized as revenue when earned.

Donated Services

The Coalition benefits from donated services in the form of volunteer time for various committees and other services from the Foundation. Because of the difficulty of determining their fair value, donated services are not recognized in these financial statements.

Financial instruments

In accordance with ASNPO, cash is initially measured at fair value. Subsequent changes in fair value are recorded in the statement of operations. Pledges receivable and accrued research awards payable are measured at amortized cost. Amounts amortized in the year are reported in the statement of operations.

Transaction costs are expensed as incurred.

Unless otherwise noted, it is management's opinion that the Coalition is not exposed to significant interest or credit risks arising from these financial instruments.

The fair values of the Coalition's cash, pledges receivable and accrued research awards payable approximate their carrying values due to their nature and short terms to maturity.

Notes to Financial Statements

For the year ended December 31, 2015

(Unaudited)

3. Contributions

During the year ended December 31, 2014, the Coalition signed an agreement to receive \$1,000,000 in contributions. The contribution is to be paid over a period of three years, with \$334,000 paid in 2014, \$333,000 paid during in 2015 and the remaining \$333,000 paid during 2016. As the contribution is unrestricted and collection is reasonably assured, the contributions have been fully recognized as revenue during 2014.

4. Research awards

Research awards are charged against operations when authorized by the Board of Directors. The actual payment of the grant may not occur in the year of authorization.

During the year ended December 31, 2014, the Coalition committed to fund \$1,000,000 in research grants. The grants are to be paid over a period of three years with \$334,000 being paid in 2014, \$333,000 being paid in 2015 and \$333,000 paid in 2016.

5. Financial risk management

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Coalition deals with creditworthy counterparties to mitigate the risk of financial loss from defaults. The Coalition maintains its cash in a Canadian bank deposit account which, at times, may exceed the Canada Deposit Insurance Corporation insured limits. The Coalition believes it is not exposed to any significant credit risk on its cash. The Coalitions' contributions receivable (note 3) are from one party therefore is exposed to a concentration of credit risk.

6. Economic Dependence

The Coalition derived approximately 51% of its revenue during 2016 from one donor (2015 – 74%). Furthermore funds held at December 31, 2016 are substantially attributed to the contributions made by the significant donor from the year ended December 31, 2015 and 2014. Should this donor change its dealings with the Coalition, management is of the opinion that there would be no issues with the continued viable operations of the Coalition.
